

# Put your best face forward

## Make your on-line image shine with the \$99 Digital You™ Photo Package from Bacosa Photography

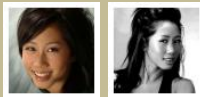

Yes, you can upload a photo of yourself from an iPhone. **Or you can make a really good impression for just \$99.** We make putting your best face forward simple and fun. Follow these steps to the best you ever:

**1 Select a photographic style** that best suits your image

Sassy

Glam

Artistic

Pensive

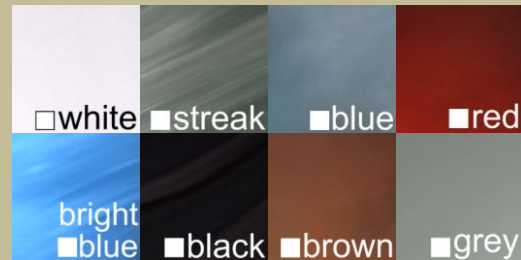

Professional Casual

Conservative

**2 Select a background color** that works with your personal branding or that makes your eyes sparkle

**3 Make an appointment** for a 20-min sitting with our professional photographers

We'll take portraits that make you look fabulous and show you the results immediately. Our \$99 Digital You Photo Package includes your two favorite pictures cropped & optimized for social networking sites and print publication:

- Facebook 140x185 px
- LinkedIn 80x80 px / 4MB max
- Twitter 48x48 px / 700k max
- Publication 5x7 in / 300 dpi

### WANT MORE?

Add a different background and select up to four photos for only \$149.

The Digital You™ Photo Package is a collaboration between Susan Hare Marketing and Bacosa Photography. For professional help creating a personal brand or getting started with social marketing, contact Susan Hare. For simply fabulous photos, call Bacosa Photography.
